

DESIGNING FOR WISER ACTION – Project Callers’ Brief

Helping to define your project.

Project Criteria:

- The project should incorporate a participatory/engagement process which takes place in the next 12 months
- The project should be one that you are committed to carrying out, or have a mandate to do so.
- The project should include at least one single meeting or part of a longer strategic process
- The project should be of benefit to more people than just the project caller/team.

Write about your project (please print clearly):

Name of project....
Name of Project Caller (and organisation if applicable)...
Purpose of the project/meeting?...
When will the participatory process take place?...
How many people will be taking part in this meeting?...

**All project callers are invited to a meeting at.....
in room to practise presenting a 30 second
pitch for their project (covering the above questions). We will also share
more about the *Designing for Wiser Action* process at this meeting.**
